The members of the Blue Jay staff are dedicating this yearbook to Mrs. Rebecca Christy and Mr. Fran Schwenk. These two were chosen because of all the hard work and time they have spent in Rock Port High School. Mrs. Christy served as English teacher, play director, and Speech and Drama Club sponsor. Mrs. Christy practically lived at Rock Port High School during the school plays, speech contest, and variety shows. She was respected and liked by all students at Rock Port High School. Some say that she is the best drama coach we've ever had. She not only served the school, but the whole community. Mr. Fran Schwenk was Drivers Ed teacher, PE and coach. His biggest jobs and responsibilities were football and boys track. Mr. Schwenk's interest in sports rubbed off on most of the students. He had winning football and track seasons. Both of these fine people will be missed not only as teachers, but as friends. We the staff of '76 salute Fran Schwenk and Becky Christy.

A Special Thanks

Gaining Experience

The Cooperative Occupational Education (COE) Program is a work-study program which enables a student to earn while they learn in addition to earning money. A COE student can earn two to three credits for one successful year in the COE program. A student attends class one hour per day for which he receives one credit. He works a minimum of ten hours per week in supervised work experience for which one credit is granted if the student works 20 hours or more per week in supervised work experience, he is granted two credits. COE is now in its third year. Mr. Steve Scamman was the supervisor of the program. Eight students were enrolled in the COE program this year. Munchie Makers

Rock Port High School has always been known for its delicious meals that our cooks prepare. First Takes Off

Mrs. Whitford admires work!

First Graders study beginning and ending sounds and vowel sounds, adding, subtracting and counting to 100, counting money, and speaking in complete sentences. Their social studies units included the farm, our families, people from other lands, globes and maps, and community jobs. In their science units, they studied various animals, the zoo, matter, our five senses, health, space and stars, earth, weather, and plants. One of the main events of First Grade was reading class. They divided into three groups and complete five reading books during the year. First graders were taught by Mrs. Elaine Krieger and Mrs. Deanna Whitford.

Tip-Top Third Graders

The third grade started the year off with their study of multiplication and division. In social studies, they explored various types of communities and how each meet the needs of people. In reading class, they read a challenging new series of reading books. Miss Janet Kelley and Mrs. Doris Kirby were their inspiring leaders for the 75-76 school year.

Fantastic Fourth

The fourth grade was taught by Miss Anna Cottrell and Mrs. Lavona Reid. In Social Studies, the students covered map skills, a desert unit, a tropical unit and a unit of forests. For a special treat, they had a visit by Hardin Cox, for their Missouri unit. They also studied English, science, and math. The fourth graders also learned Spanish from high school students, and viewed filmstrips and movies. The two classes also enjoyed watching "Wimpy the Clown" and previews of the Junior Play, "Story Theatre." Recess was a favorite of the restless fourth graders.

Along with the basic fifth grade classes of English, spelling, reading, creative writing, social studies, science, and math; the students studied the clothes, food, cultures, religions, and origin of the Indians. Mrs. Dorothy Pierce and Mr. Terry Stafford taught the students various things this past year, such as; in social studies they took a tour of the United States by book and wrote letters to states for literature. They also did a study on insects and from their collections of them, they made an insect zoo.

"Let's get quiet!"

This year's sixth grade has worked very hard under Kathy Stratman and Richard Whitford, getting ready for the big step up to Junior High. Fifty-five enthusiastic sixth graders started band this year and are looking forward to being part of the Jr. High Band. The students worked on many social studies and language arts projects and displays throughout the year. Bulletin board displays also showed new concepts of science and math. Activities that they participated in once a week were art and French. These two areas were enjoyed greatly and also helped to make a successful year.

Special Help

Mrs. Esther Long taught remedial math. Serving as instructional aide and a remedial math teacher was Mrs. Pam Whelan. Pictured lower right, Mrs. Pat Lytle taught special ed.

Playing and Singing

Elementary music was interesting and fun. It was taught by Miss Kathryn Parks. All grades participated in concerts; kindergarten--third grade had a Christmas program, fourth--sixth grades had a bicentennial program, and the sixth grade also participated in a junior high assembly. The lower grades worked on unison singing while the upper grades worked on harmony singing. All grades played theory games and learned dances. Miss Parks is pictured lower left. Elementary Band was taught by Mr. Ken Greiner. They learned basic rhythms and the proper care and maintenance of their instruments. They performed at both the winter and spring concerts. There were fifty-five strong members forming the largest sixth grade band in the history of Rock Port High School.

Seventh Grade: Beginners

The seventh graders entered Jr. High with high hopes. With their eyes open wide, they watched as they slowly sunk into the normal rat race of high school life. Changing classes and having new teachers was also a new excitement. The students tried their hands at athletics and a few organizations. Homecoming "Spirit of 76"

Just as always, the 1975 Football Homecoming was a day of excitement and spirit. Early in the week, the Pep Club boosted the football players and the communities spirit by painting the windows downtown with slogans about the on-coming game. Student Council chose the theme "Spirit of 76" to coincide with our countries bicentennial. The faculty and students went downtown for a pep rally in the middle of main street. Homecoming night, the Rock Port Blue Jays beat the Craig Hornets 17-0. Diana Gebhards reigned over the royalty court as Queen while Jeff Long reigned as King.

Last Journey Together

This years Semors, ready for adventure, set off for St. Louis. They left at 12:00 midnight and after a long ride, arrived at Six Flags over Mid-America at 8:00 A. M. Each of them explored Six Flags for nine hours. They returned home weary, but all agreed it was great fun. The highlight of the trip was Deon's explosion. At Left: Wanted for what? "Friends with You"

As we come to the end of another year at Rock Port High School, many memories surround us. We have tried to capture a few of these memories in this yearbook. It is impossible to write down the feelings that go along with each moment. We hope that each of you have gotten something out of a picture, a phrase, or a title. May the future bring you much happiness and sunshine. Always remember all of us are "Friends with you". Until next year...Staff of 1976.
